

JOIN THE CAMBRIDGE BICYCLE COMMITTEE FOR A LEISURELY RIDE AS PART OF THE CITY'S ANNUAL GOGREEN MONTH ACTIVITIES. THE THEME OF THIS SPRING'S BIKE TOUR IS MUSIC IN CAMBRIDGE.

Cambridge has a rich history of musical accomplishment. From Sanders Theater in the 19th century, to Club 47 in the 1960's and the Inn Square Men's Bar in the 1980's, our city has always been making and listening to music. Come ride with us past sites that made music history, learn about the musicians who lived and recorded here, and listen to the music that Cambridge now has to offer.

The ride will take about two hours, and will include stops along the way for musical performance.
