Ride departs promptly at 10:30 AM

Ever notice that the City of Cambridge is  
shaped like a BOW TIE?

(Pssst - this red bow tie is a map of Cambridge!)

Join us and enter to win a free bow tie at the  
**6th CAMBRIDGE BOW TIE BIKE RIDE!**

Enjoy a 13 mile scenic bike ride as we circle through the city's eastern neighborhoods,  
"tie the knot" in the center of Cambridge, then loop through the western section.

This will be a gorgeous autumn ride at an easy pace on mostly level terrain.

Everyone is invited to untie with us post-ride at the launch site (Cambridge Public Library).

Technical support for the ride provided by **Urban AdvenTours**. Mechanics will be on hand for simple bike checks; you must come early if you would like to check your tire air or make other simple adjustments. Post ride food from **Redbones**, **Fuji**, **Toscanini's**, and **Trader Joe's**. Bow-tying demo and free bow tie give-away by **OoO Tie**. Ride organized by the Cambridge Bicycle Committee: <http://www.cambridgema.gov/cdd/transportation/forthepublic/bicyclecomm.aspx>
