Ever notice that the City of Cambridge
is shaped like a **BOW TIE?**

Join us and enter to win a **FREE** bow tie from
OoOTie Boston Bow Ties!

(Psst - this red bow tie is a map of Cambridge!)

Enjoy a 13 mile scenic bike ride, circling through the city's eastern neighborhoods, "tying the knot" in the center of Cambridge, then looping through the western half.

This will be a gorgeous autumn ride at an easy pace on mostly level terrain. Everyone is invited to untie with us post-ride at the launch site (Cambridge Main Library).

Technical support for the ride provided by Urban AdvenTours. Mechanics will be on hand for simple bike checks; you can come early to have your tire air checked or for other simple bike adjustments. Post ride snacks donated by Star Market, Honest Tea, and ZICO coconut water. Bow-tying demo and free bow tie give-away by OoOTie. Ride organized by the Cambridge Bicycle Committee: www.cambridgebikes.org
