Ever notice that the City of Cambridge  
is shaped like a **BOW TIE?**

Join us and enter to win a **FREE** bow tie from  
**OoOTie Boston Bow Ties!**

(Psst - this red bow tie is a map of Cambridge!)

Enjoy a relaxed, scenic two-hour bike ride, traveling from east to west on a 13 mile route tracing the bowtie shaped boundaries of the city.

This will be a gorgeous autumn ride at an easy pace on mostly level terrain.

Everyone is invited to untie with us post-ride at the launch site (Cambridge Main Library).

Technical support for the ride provided by Urban AdvenTours. Mechanics will be on hand for simple bike checks; you can come early to have your tire air checked or for other simple bike adjustments. Post ride snacks donated by Chipotle, Felipe's Taqueria, and Honest Tea.

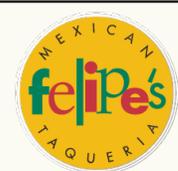

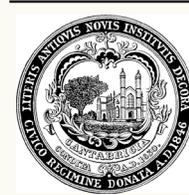

Bow-tying demo and free bow tie give-away by OoOTie. Ride organized by the Cambridge Bicycle Committee: [www.cambridgebikes.org](http://www.cambridgebikes.org)
